*Abstract:* The Bureau's Office of Financial Empowerment (Empowerment) is responsible for developing strategies to improve the financial capability of low-income and economically vulnerable consumers, such as consumers who are unbanked or underbanked, those with thin or no credit file, and households with limited savings. To address the needs of these consumers, Empowerment has developed the Your Money, Your Goals toolkit and training program. These resources equip frontline staff and volunteers in a range of organizations to provide relevant and effective information, tools, and technical assistance designed to improve the financial outcomes and capability of these vulnerable consumers. The Bureau seeks to renew approval of the

information collection plan (ICP) to collect qualitative data related to evaluating the effectiveness of this toolkit, collateral materials, and training program. The proposed collections will focus on evaluating: (1) Your Money, Your Goals training practices, toolkit, and collateral materials in enhancing the ability of frontline staff and volunteers to inform and educate low-income consumers about managing their finances; (2) and to assess the scope of workshop participants' use of the resources with the people they serve. The Bureau expects to collect qualitative data through paper-based and web-based surveys.
